## Welcome to the NBS Spring 2016 Newsletter

After one of the busiest winter sales periods we have ever had, we are now well into the new boating season and the market is still extremely bouyant.

Back in January we had a successful London Boat Show exhibiting the new [Delphia 1050 Cabrio](#), the [Delphia 800 Escape](#) and the [Heritage 286](#). The Delphia range are of the very highest build quality and comfort, they are modern, stylish and ideal for cruising the Broads and other inland waterways. These boats along with the Heritage 286 will be on display at Horning Boat Show later this month.

Horning Boat Show is on Saturday 30th April, we will have our Hospitality Marquee in the usual place on Swan Green, so please do come along and see us.
