Welcome to the NBS Winter Newsletter

Can you believe another year is almost over? What a year it has been, starting off with the London Boat Show last January when we took the show by storm with the Elan 30's. In May we had our hospitality marquee at Horning Boat Show on Swan Green where it's always great to catch up with friends and customers over a drink and some of Mary's legendary nibbles. In July we held our 'Summer Sale' weekend where we were pleased to show the beautiful new Westwood A405 and were able to offer customers special prices on used boats & mooring packages which was well received. Also during the summer we handed over two new Heritage 286's to very happy customers, one who will be seen out and about cruising on the North Broads and the other on the South, so keep a look out for them! In October we announced our dealership for the Delphia range of motor cruisers, which are practical, stylish and ideal for the Norfolk Broads. We will have two of the Delphia range for you to view at London Boat Show in January '16, the 1050 & the slightly smaller 800, and we will also be showing a new Heritage 286 river cruiser.

During the latter part of this year we have had a couple of changes to staff. Matthew Stone has left us for pastures new, and we wish him every success in his new venture. Harry from the Wroxham office is now based at Brundall with Mary, and Kerry has been joined at Wroxham by David Taylor who previously sold boats on the River Ouse.

We would like to take this opportunity to wish all of our customers old and new and very merry Christmas and a happy and healthy New Year.

Winter Opening Hours
